

IOWA HEALTH SYSTEM'S PROFILE

Iowa Health System is the state's first and largest integrated health system, serving nearly one of every three patients in Iowa. Through relationships with 26 hospitals in metropolitan and rural communities and more than 140 physician clinics, Iowa Health System provides care throughout Iowa and western Illinois.

Iowa Health System entities employ the state's largest nonprofit workforce, with nearly 20,000 employees working toward innovative advancements to deliver the best outcome for every patient every time. Each year, through more than 2.5 million patient visits, Iowa Health System hospitals and clinics provide a full range of care to patients and families. With annual revenues of \$2 billion, Iowa Health System is the sixth largest nondenominational health

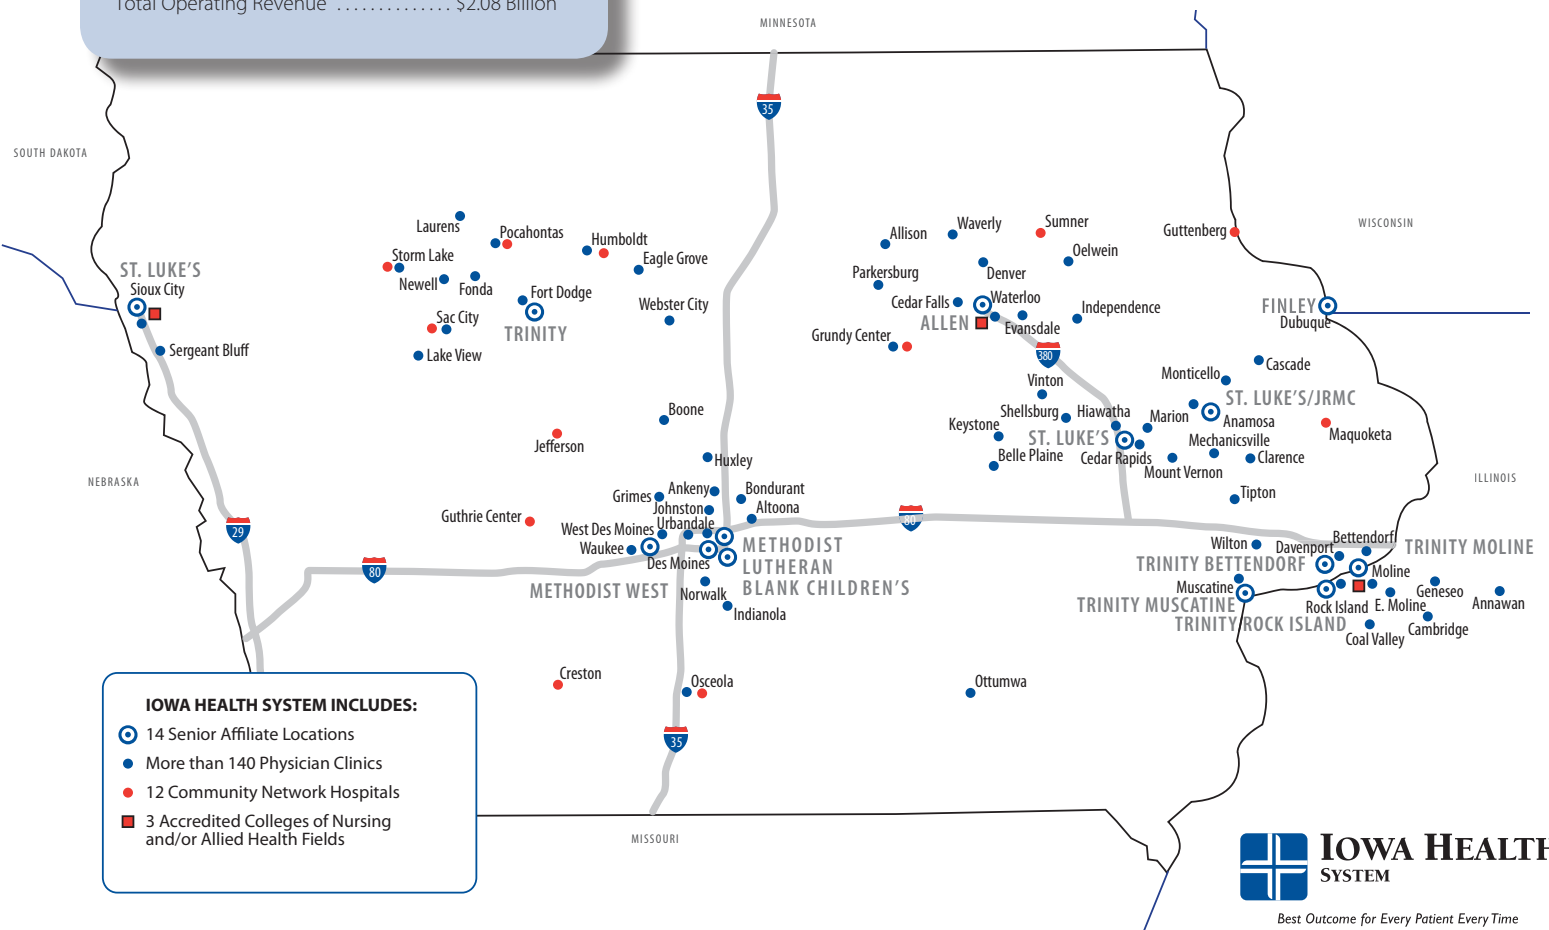

system in America and provides community benefit programs and services to improve the health of people in its communities.
